FEBRUARY 1ST, 2021

DEAR FAMILIES,

Your child's report card will be available on Powerschool on Wednesday, February 3. Report cards provide an opportunity to convey information from the school to parents about their child's educational progress. The report cards are a culmination of on-going assessments in the classroom and are meant to encapsulate the learning of the student over the first term. Our hope is that this report card and communication from teachers will ensure that all parents know how their child is doing, what area they need to improve in and how the school and the home can work as a team to support the student in this process.

As mentioned in last week's update, surveys are now available for parents to complete. Here is a link for the survey (the survey has also been emailed to parents) -

. Thank you in advance for taking a few moments to complete the survey. Your feedback is welcome and appreciated.

God bless,

Peter Rachmistruk

Lord,

We thank you for your steadfastness. You never fail. You are our strength in our time of need. God we give you our worries, burdens and cares this day.
