

Dear EICS Families,

Your local Staples stores in Sherwood Park, Fort Saskatchewan, and Camrose are committed to continue providing students of Elk Island Catholic Schools with devices for the One-to-One Learning Program. The One-to-One Program means students can have their own devices for learning in school or online.

This is the 6th year Staples is providing this service and we continue to value the partnership with EICS families like yours to supply industry leading brands of technology devices, a wide range of accessories, EasyCare Device Plans that provide additional guarantees for all defective units (including units accidentally damaged), and various deferred or installment payment options (OAC).

**The 3 primary hardware choices (Good, Better, Best) for the 2021-2022 school year are;**
