

St. Nicholas Weekly News

June 13th-17th, 2022

Dear Families,

We have some exciting news to share! Kelly Davies (parent in our community) gifted us another amazing wood carving sculpture (in addition to the owl in the library, bench outside the library and our St. Nicholas in the chapel). It is located at the front of the school in the display case. Kelly carved an ice sculpture and gifted it to our school two days prior to Covid shutting down school. It sat right outside our front doors for months as the students were learning online. Kelly felt bad that no one had a chance to enjoy it, so he decided to carve the exact same sculpture out of wood. The inscription on the carving reads:

"In the Company of Angels - Presented to the staff and students of St. Nicholas School June 2022 as a thank you for taking care of one another and as a lasting reminder to appreciate every moment of every day."

On behalf of all the students, staff and parents I would like to extend my deepest gratitude to Kelly for sharing his tremendous gift with us.

Lastly, our St. Nicholas Fun Day is scheduled for Monday, June 27th. A letter went home with your child last week with details. Please reach out to your child's teacher if you have any questions.

God Bless,

Peter Rachmistruk

Principal

- Please note, you will receive an email from your child's classroom teacher at the end of August indicating which homeroom they have been placed in. There are always some

- Parents will receive their school supply list in an email the last week of school. Parents will have the option to purchase all school supplies through the “Staples School Tools” program or to purchase supplies on their own. School supply lists will also be available on our website.
