Information

- Insight is a group-administered test of cognitive abilities, which will be administered to all Grade 4 and 8 classes in EICS in the middle of November. The assessment is designed to measure cognitive abilities including reasoning, comprehension, memory, and visual/auditory processing. Students do not need to study for the Insight and the results do not impact their school grades. The results provide information about students' cognitive strengths and areas of weakness to best support all learners. Purdy's Chocolate Fundraiser

- 'Tis the season of giving, and the St. Nicholas Parent Advisory Council is thrilled to announce our Purdy's Christmas Chocolate fundraiser!
- By purchasing these delicious treats, you'll not only satisfy your sweet tooth but also help us reach our goal of \$1,000 profit, which will go towards birthday books and the remaining cost of the Grade 4 leadership t-shirts.
- Your participation will make a meaningful difference. Visit <https://fundraising.purdys.com/1772866-109405> to order your high-quality chocolates and help spread joy and sweetness this holiday season. Family and friends are welcome to participate in the fundraiser using the link above as well.
- Order deadline is November 26 and orders will be available for pickup at the St. Nicholas school on December 12.

Loving God, We ask You to bless all students in Catholic Schools. May they remain constantly curious in their pursuit of knowledge and truth. May they use their gifts and talents to spread Your light and love throughout the earth. And may all of their learning ultimately draw them closer to Your Son, Christ the Teacher. We make this prayer in Your Holy Name, Amen.
